

FAQ

The Carolers require a secure area where they may change into costume and leave street clothes and personal items while performing.

A deposit (based on total charges) is required at the time of booking, with the balance due the day of the performance.

The Carolers will perform in 25-minute sets, taking a 10 minute break in between.

We do not provide amplification, and in most performance spaces it is not required. If amplification is needed, the booking organization must provide any necessary sound equipment and someone to operate the equipment.
